

Narayan Bhargava

Mr. Narayan Bhargava is a strong figure in the Indian Outsourcing business world. He is the Chairman & Managing Director of Calibehr; established in the year 2016. Through Calibehr; Mr. Narayan accomplished a stalwart pioneering position in the Indian BPO Industry. However he has always defined it as “Botheration and Problem Outsourcing”. Aptly, Calibehr; for years has a trusted network solving business problems through the length and breadth of the globe.

An alumnus of the prestigious Sydenham College of Commerce & Economics and a qualified Chartered Accountant and Cost Accountant, Mr. Bhargava dared to become an entrepreneur long before choosing an unconventional path at times when it wasn't a normal practice.

Kushal Bhargava

Mr. Kushal Bhargava is performing his role as Group Director since 2013. Known for his spontaneity and liking for the latest updates; he's an avid thinker and researcher when it comes to business. He has a strong hold in planning and structuring roadmaps for potential business developments. A lover for consistency and a firm believer of getting things done right at the very first attempt; he has been constantly gaining knowledge to take Calibehr to its newer heights.
